The five Probationary Assistant Commissioners, i.e., all expect Mr. D.Krishnaraj Urs, reported themselves for duty today. The following are my notes of interview with them:-

(1) Mr. K.Srinivasan. Age 22 years. Has yet to pass all the departmental examinations and to learn - - - riding.

(2) Mr. N. Madhava Rao. Is now attached to the Mysore District Office. Is going through his riding course. He wants two months more to get his equitation certificate. He has had training in the taluk office for seven months, of which two months were spent on survey training. Survey training is complete except for classification work. He has had District Office training for six months. Has passed Revenue and Criminal examinations, and has sat for the Accounts and Registration tests.

(3) Mr. R.R.Bombhore. Has been an acting Amildar and does not want any more training. He was trained in the District Office work for 1½ years. He underwent survey training for two months. Has been always riding and can get an equitation certificate at any time. He has passed all his tests except Civil Parts I and II.

(4) Mr. Safder Husein. Has finished seven months training in the Taluk Office and six months in District office. Has also undergone survey training for two months, i.e., the whole training except the classification work. Has passed all the examinations except Civil Part II. Knows to ride, but has to attend the riding school and obtain a certificate.

(5) Mr. K.Seshadri Iyer. Age 29 years. Was riding in the Lancers riding school for one year. Has not passed any departmental examinations. Owing to the illness of his uncle and brother he would like to be kept on in Bengalore for three months at least

In accordance with the instructions already given I have instructed Mr. Srinivasan to go to Mysore District, Mr. R.R. Bombhore to Hassan District and Mr. Safder Husein to Bangalore District. As regards Mr. Madhava Rao since he is in the middle of his riding course it seems preferable to allow him to remain in Mysore District till he finishes this course, i.e., for two months more. Mr.Seshadri Iyer's request is for orders.

Dear Sir,

With reference to the postings of the Probationary Assistant Commissioners recently appointed, I am directed to state that Government attach great importance to the training of these officers and expect the Deputy Commissioners to whose Districts they are posted to take a personal interest in their training with a view particularly to develop in them qualities of self-reliance, thoroughness, accuracy and the exercise of an independent judgment. I am to request you to issue suitable instructions to the Deputy Commissioners in this matter, and also to keep an eye yourself on the training and progress of these officers.

2 Under G.O. No.1666-1709/C.B.13-18-35 dated the 25th June 1919 the training is to be in the following order:--

It will also be necessary to transfer these officers in rotation to Bangalore and Mysore respectively to enable such of them as do not know riding to undergo a course in the Cavalry Riding School. Proposals for such transfers may ~~also~~ be submitted in due course. only one Probationary Assistant Commissioner at a time being attached to one District.

I have the honour to request that under Government Order No.R.13032-92/L.R.284-29-7 dated 21st May 1921, a Probationary Assistant Commissioner may be made available to this District, out of the batch of six, recently appointed by Government. I may add that I experience considerable difficulty in making arrangements for the charge of the District Treasury, whenever the Treasury Assistant Commissioner wants leave or has to go out on Taluk Treasury inspection duty. The Treasury Officer tells me that it was for this reason, that he could not inspect the Koppa Taluk Treasury during the last half year.

The Sub Division Officer, Tarikere, goes on casual or other leave, without there being any body in charge of the Sub Division on the spot, the Treasury Assistant Commissioner being supposed to be technically in charge of the Sub Division, during his absence.

I beg to state that I was posted for training to this place on 3rd January 1925, with a view to enable me to complete the Riding Course in which at that time I was half way though I was meant for Tumkur The understanding therefore was that I was to remain here only till the completion of my equitation training. Chief Secretary's D.O. letter No.1636/C.B:122-24 dated 6th January 1925 to the Revenue Commissioner lays down that not more than one Probationary Assistant Commissioner should be attached to any District. But in this District there have been two Probationary Assistant Commissioners viz.. Mr. K. Srinivasan who has been permanently posted to this place and myself, attached to this District only as a temporary measure, with a view to enable me to qualify myself as an Equestrian. Now that I am in possession of my Equitation Certificate I beg to state that I am willing to go to any other District preferably to Chitaldrug. I therefore beg to request that I may be posted as early as convenient and if possible to Chitaldrug.

CB 122-4-26

Dear Sir,

In reply to your D.O.No. 392-7/C.B. 122-24 dated the 15th August 1925 calling for a special confidential report for the half year ending 30th June 1925, re. the work of Mr. Ramachandra Rao Bhombore, Probationary Assistant Commissioner, I write to state that as required in para 4 of Chief Secretary's D.O. letter No. 1636/C.B. 122-24 dated the 6th January 1925 to the Revenue Commissioner, progress reports for the quarters ending 31st March and 30th June 1925 were sent to the Revenue Commissioner, copies of which are herein enclosed for ready reference.

It may be seen from them that besides undergoing detailed training in the Treasury, Sub Division and District Offices, the Probationer was in charge of independent work such as Huzur Jamabandy, Treasury, Sub Division and Police.

The Probationer has done excellent work and has already gained much experience in all the branches of work expected of an Asst. Comrs. He bids fair to become a first class executive officer.

As per the training prescribed for Mr. Ramachandra Rao Bhombore in the Chief Secretary's D.O. dated the 6th January 1925 above referred to there only remains for him a course of Engineering Training for 3 months.

****

With reference to your letter No. C. 2171/24-25 dated 9th July 1925 calling for information regarding the training hitherto undergone by Mr. R.Ramachandra Rao Bhombore, Probationary Assistant Commissioner attached to this District, I have the honor to invite kind reference to this Office letter No. S1. 517-24 dated 2nd May 1925 (copy enclosed) giving details of the training given to the Probationer from January to end of March .) During the months of April,May and June, the Probationer received further training in Treasury, Sub Division and District Offices. He has therefore as prescribed by D.O. letter No. 1636/C.B. 122-24 dated 6th January 1925 of the Chief Secretary to Government, completed the training in Treasury and Sub Division Offices and has also received training for over 3 months in the District Office. He is now working in the District Office and may perhaps be permitted to continue there till he is posted to undergo Engineering Training. By reason of his having been a Revenue Probationer and Amildar for nearly 5 years he was conversant with routine work before he came here and has by his further training fully grasped the details. As he has already received Taluk Office and Survey Trainings there only remains for him to undergo a course of 3 months' training in Engineering as directed in the Chief Secretary's letter referred to above.

Now and then Mr. Ramachandra Rao Bhombore was after obtaining orders, thereto put in charge of work such as Sub Division, Huzur Jamabandy District Treasury,Police and Inspection of Offices in performing which he was found quite up to the mark.

Regarding his Engineering Training, a recommendation has already been made for reasons stated in this office letter No. S1. 517-24 dated 11th June 1925 that Mr. Ramachandra Rao Bhombore may with advantage be attached to the Executive Engineer's Office Hassan.

With reference to your Memo No. 2053/24-25 dated the 25th April 1925 calling for a report, of the training undergone by the Probationary Assistant Commissioner, Mr. Ramachandra Rao Bhombore, I have the honor to state that he reported himself for duty here on 10th January 1925 as he was an Amildar for some years and had experience of Treasury and Revenue work, a recommendation had been made to the Revenue Commissioner to place him in charge of the District Treasury and accordingly he worked in the District Treasury from 10th January to 20th February. During this period he fully acquainted himself with the Treasury work and made himself conversant with the work of the several branches of this office, particularly of the Accounts and Revenue Sections as he was also my personal Assistant during that time.

2. He was also under your orders deputed on Jamabandy work of Alur and Arkalgud Taluks which he finished promptly.

3. On the days he was not deputed for special work of an officer he engaged himself in attending to the general work of the Revenue Department by supervising the work of the case workers and taking up casework himself. The drafts and notes which he prepared showed that he was well posted with work and is fairly acquainted with the Rules and Standing Orders.

4. He has made marked progress in the work of the District Office. I dare say that during the remaining few months of the 6 months' period prescribed for the training in District and Sub Division Offices, he will have acquired full knowledge of the work of these offices.
